The logo for SFJAZZ, featuring the letters "SFJAZZ" in a bold, white, sans-serif font centered on a solid black square background.

The San Francisco Jazz Organization (SFJAZZ) is one of the largest performing arts organizations in the Bay Area, sponsoring over 100 performances each year. The dual mission of SFJAZZ is to both explore the full spectrum of jazz, and to educate and inform the public and students through a range of educational programs aimed particularly towards low-income youth in San Francisco's public schools. The SFJAZZ Center will be the first permanent home for the San Francisco Jazz Organization and will be one of the first facilities in the country designed specifically for jazz. The ±35,000 square foot performance space will feature a state-of-the-art 700-seat auditorium, an 80-seat multi-purpose ensemble room, rehearsal and digital lab spaces, and a sidewalk-level café.
